

XIV International Congress of IACMAC/ESCMID «Antimicrobial Therapy»

23-25 May 2012, Moscow

23 May 2012, Wednesday

| | | |
|---|--|--|
| 08.00-18.00 | Registration | |
| <i>Symposium «Strategies for the improvement of infections management»</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: V. Govorun, M. Edelstein, O. Salagay</i> | | |
| 09.00-09.30 | Strategic of development of high-technologies in medicine in Russia | O. Salagay, Russia |
| 09.30-10.00 | Information systems in medicine: what we have and what we need | Yu. Belkova, Russia |
| 10.00-10.30 | Perspectives of high-tech methods in diagnostics of infections | V. Govorun, Russia |
| 10.30-11.00 | Progress in the understanding of “philosophy of sepsis” and its clinical significance | W. Wiersinga, Netherlands |
| 11.00-11.15 | <i>Discussion</i> | |
| 11.15-12.00 | <i>Coffee break</i> | |
| <i>Symposium "Antibiotic resistance and antimicrobial therapy – pursuit of microbes evolution"</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: N. Klimko, B. Rodionov, M. Zhuravleva</i> | | |
| 12.00-12.30 | Russian national guidelines "Antimicrobial stewardship in the multifield hospital" | R. Kozlov, Russia |
| 12.30-13.00 | Realization of antimicrobial therapy control programs in US hospitals: do we get what we seek? | M. Gelfand, USA |
| 13.00-13.30 | Stratification of patients with high risk of invasive mycosis | N. Klimko, Russia |
| 13.30-14.00 | Realization of antimicrobial stewardship program on the example of one Russian multifield hospital | B. Rodionov, Russia |
| 14.00-14.15 | <i>Discussion</i> | |
| 14.15-15.00 | <i>Coffee break</i> | |
| <i>Symposium "Innovations and promising directions of infection diagnostics and treatment"</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: L. Gabbasova, R. Kozlov, S. Rachina</i> | | |
| 15.00-15.30 | Global tendencies in antimicrobial resistance | G. Cornaglia, Italy |
| 15.30-16.00 | Analysis of the antimicrobials use in real clinical practice in Russia | S. Rachina, Russia |
| 16.00-16.30 | Nosocomial infections in Russia – antimicrobial resistance update | M. Sukhorukova, Russia |
| 16.30-17.00 | Monotherapy in the era of antibiotic resistance? | R. Kozlov, Russia |
| 17.00-17.15 | <i>Discussion</i> | |
| 17.30-18.00 | <i>Opening ceremony</i> | L. Gabbasova, Russia G. Cornaglia, Italy I. Otvagin, Russia R. Kozlov, Russia |
| 18.00-20.00 | <i>Welcome cocktail</i> | |

24 May 2012, Thursday

| | | |
|--|---|-----------------------------|
| 08.30 | Registration | |
| <i>I Plenary Session</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: A. Firsov, C. Giske, S. Zyryanov</i> | | |
| 09.00-09.30 | Limitations of the evidence-based medicine in antimicrobial therapy | J. Rodriguez-Bano, Spain |
| 09.30-10.00 | What is needed to be changed in the design of clinical trials of antimicrobials? | C. Giske, Sweden |
| 10.00-10.30 | Truth and delusions of continuous infusion | S. Zyryanov, Russia |
| 10.30-11.00 | Antibiotic-associated diarrhea. What do we know and not know about it? | E. Baron, USA |
| 11.00-11.15 | <i>Discussion</i> | |
| <i>Symposium «Do we choose the drugs in ambulatory practice correctly? Myths, issues, reality».</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: O. Stetsiouk, V. Tatochenko, E. Ushkalova</i> | | |
| 11.20-11.50 | β -Lactam antibiotics from the point of view of clinical pharmacologist. From clinical pharmacology to clinical efficacy. | O. Stetsiouk, Russia |
| 11.50-12.20 | Empirical choice of antibiotic for treatment of respiratory infections in children. A view of pediatrician. | V. Tatochenko, Russia |
| 12.20-12.50 | Generics in pediatrics – a forced need or a reasonable choice? | E. Ushkalova, Russia |
| 12.50-13.20 | Pneumococcal infection prevention. Few vaccines, but which one to choose? | I. Andreyeva, Russia |
| 13.20-13.35 | <i>Discussion</i> | |
| 13.35-14.00 | <i>Coffee break</i> | |
| <i>II Plenary Session</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: V. Akimkin, A. Dekhnich, V. Maleyev</i> | | |
| 14.00-14.30 | Infection prophylaxis for travelling to different regions and countries. | V. Maleyev, Russia |
| 14.30-15.00 | Acute pancreatitis: questions and answers. | A. Dekhnich, Russia |
| 15.00-15.30 | How to treat when there are no obvious therapeutic options left? The focus on Gram-negatives. | Y. Carmeli, Israel |
| 15.30-16.00 | The role of epidemiological clones of <i>P. aeruginosa</i> in the spread of antimicrobial resistance. | M. Edelstein, Russia |
| 16.00-16.15 | <i>Discussion</i> | |
| <i>III Plenary Session</i> | | <i>Congress Hall</i> |
| <i>Co-chairs: N. Khachatryan, A. Sinopalnikov, V. Tyurin</i> | | |
| 16.20-16.50 | Diagnostics and treatment of prosthetic-joint infections | J. Rodriguez-Bano, Spain |
| 16.50-17.20 | Review of current guidelines for treatment of infectious endocarditis: what is better for Russia? | V. Tyurin, Russia |
| 17.20-17.50 | Scoring systems for prognostic evaluation of community-acquired pneumonia: clinical illustrations. | A. Sinopalnikov, Russia |
| 17.50-18.00 | <i>Discussion</i> | |

25 May 2012, Friday

| Symposium “Multi-faceted picture of sepsis” | | Congress Hall |
|--|--|-------------------------|
| <i>Co-chairs: K. Naber, V. Omelyanovsky, V. Rudnov</i> | | |
| 09.00-09.30 | Critical review of clinical trials in sepsis patients | V. Rudnov, Russia |
| 09.30-10.00 | Neonatal sepsis | P. Montravers, France |
| 10.00-10.30 | Medical technologies evaluation for the development of antimicrobial strategies in ICU | V. Omelyanovsky, Russia |
| 10.30-11.00 | Urosepsis in operative urology | K. Naber, Germany |
| 11.00-11.15 | <i>Discussion</i> | |
| 11.15-11.50 | <i>Coffee break</i> | |
| IV Plenary Session | | Congress Hall |
| <i>Co-chairs: G. Reshedko, Ye. Yeliseyeva, N. Zubareva</i> | | |
| 11.50-12.20 | Infections in endoscopic surgery: prophylaxis and treatment | N. Zubareva, Russia |
| 12.20-12.50 | Treatment of MRSA infections in oncology | N. Dmitriyeva, Russia |
| 12.50-13.20 | Inhaled antibiotics in treatment and prophylaxis of nosocomial pneumonia | G. Reshedko, Russia |
| 13.20-13.50 | Infections in patients with burn injuries | Ye. Yeliseyeva, Russia |
| 13.50-14.00 | <i>Discussion</i> | |
| 14.00-14.30 | <i>Coffee break</i> | |
| Symposium “Diagnostics, treatment and prophylaxis of infections in different regions of Russia” | | Congress Hall |
| <i>Co-chairs: R. Kozlov, A. Platonov, A. Zhestkov</i> | | |
| 14.30-16.30 | In this symposium oral presentation speakers will be scheduled on the basis of best abstracts sent for the Congress selected by the Scientific Committee | |
